## PRODUCT UPDATES

- PAC is introducing the Tie Down Mount Kit (P/N K3021) and the Tie Down Mount - Double Shackle (P/N K3021-D). This general purpose mounting bracket is great for securing large items!
- Coming Soon is the Wedge Mount! This bracket is designed to support and mount poles and long handled tools when paired with other PAC brackets.
- Our most popular bracket, the Handlelok (P/N 1004), has a new design. The additional second pivot point allows for added grip range for tools and equipment.
- The Ironslok-HD (P/N K5003-HD) holds large axes, including the **PIG AXE** and **FIRE MAUL!**
- The Flexmounts (P/N 1002 & 1002-2) have been updated to HD versions with straps (P/N 1002HD & 1002S HD). Prices will remain the same for a limited time.
