PRODUCT UPDATES

- New this quarter, is the **Gas/Oil Pocket Mounts** (P/N 1041 and 1041-1). This bracket secures small gas and oil containers in one convenient pocket.
- PAC is introducing the **Tie Down Mount Kit** (P/N K3021) and the **Tie Down Mount - Double Shackle** (P/N K3021-D). This general purpose mounting bracket is great for securing large items!
- The **Wedge Mount** will be available mid October! This bracket is designed to support and mount poles and long handled tools when paired with other PAC brackets.
- One of our most popular brackets is the **Jumbo Lok** (P/N 1070). This bracket now has 4 pivot positions, providing an extensive grip range for a variety of tools and equipment.
- The **Ironslok-HD** (P/N K5003-HD) holds large axes, including the *PIG AXE* and *FIRE MAUL*!
- **Label Plates** (P/N LP002-10) are available in 10 packs to make labeling your tools easy!
- **PAC Challenge Coins** are available to purchase for \$10 each. Each coin comes in a protective plastic sleeve.
