Jim,

I would like to extend my sincere appreciation for the outstanding job PAC did in evaluating and filling the needs in securing the numerous “tools of the trade” carried in our SWAT vehicle. This vehicle was at one time an ambulance and finding a place to keep everything was at the very least a challenge. Your solution to these problems not only created a very professional police look to our vehicle but created safe storage for everything from ammunition to entry tools with easy accessibility. It was a pleasure dealing with you and your staff; it is easy to see that PAC takes great pride in its work.

Again, thank you for a great job. Well done.

Sincerely,

  
Gary F. Stoldt  
Chief of Police
