## Company Overview

Performance Advantage Company (PAC), established in 1992, is a privately owned company which manufactures and markets high quality tool mounting brackets. PAC's primary market is the Fire Industry providing specialty tool mounting solutions for fire apparatus. Other markets include the Military, Law Enforcement, EMS, Utilities and Homeland Security.

## Products

The products PAC offers are designed to mount life-saving tools safely and securely. Versatile and flexible mounting options provide the most efficient and accessible solutions for tools and equipment. Whether new or in-service vehicles, PAC products can be customized for individual needs and requirements.

PAC utilizes the best possible materials and manufacturing methods which result in long lasting service. PAC products are tested to the highest standards and are compliant with standards **National Fire Protection Association (NFPA ) 1901** and **MIL-S901D military shock specifications**. If any PAC product fails under normal use it is replaced, free of charge!

## Service

Performance Advantage Company serves professionals around the world with the industries toughest tool mounting solutions. Our products are used in Fire - Law Enforcement - Towing - Military - EMS, etc.
